Conference Forecast Update:	<u> </u>					
Foster Care Payments			5,934 GR 9,539 AF			The revised foster care forecast includes a biennial decrease of \$18.1 million in All Funds, but a General Revenue Fund need of \$9.2 million over the Senate and House bills. The Conference forecast assumes increased funding for DFPS exceptional items would aid in keeping caseloads down. However, the General Revenue Fund need has increased due to DFPS implementing changes to IVE eligibility determination related to a federal review.
Adoption Subsidy and Permanency Care Assistance Payments			495 GR 4,868 AF)		The revised adoption subsidy and permanency care assistance payments forecast includes a biennial increase of \$1.3 million in All Funds and \$0.7 million in General Revenue Funds over the Senate and House bills.

Revisions and Additions					
Community First Choice Program Reporting	New/Amended	Riders, page 51			Requires HHSC and DADS to report on the monthly expenditures eligible for the enhanced CFC match.
Money Follows the Person Demonstration	II-123, Rider #45 As Amended New/Amended Riders, page 52	II-124, F	Rider #45		Existing rider amended to include reporting requirement only; agencies no longer authorized to request approval for expenditure of funds.
Transfer Authority Related to STAR+PLUS Managed Care Expansion	New/Amended Riders, page 53				Authorizes transfer of staff and appropriations from DADS to HHSC related to STAR+PLUS managed care expansion; notification required.

	Senat	e	Ho	ouse	Biennial	
Agency/Item	2014	2015	2014	2015	Difference	Explanation
Appropriation of Additional Funds Available under the Balancing Incentive and Money Follows the Person Programs		New/Amended	Riders, page 54			Authorizes the health and human services agencies to expend additional freed-up General Revenue made available due to enhanced federal match under the BIP and MFP programs for specific priorities, subject to approval.
Transfer Authority Related to Attendant and Habilitation Services	Ĩ	New/Amended	l Riders, page 56	I		Authorizes transfer of appropriations from DADS to HHSC for attendant, habilitation, and emergency response services; notification required.
Transfers to the Department of Assistive and Rehabilitative Services		New/Amended	l Riders, page 57			Authorizes transfer of appropriations from HHSC to DARS for autism and deaf and hard of hearing services upon determination by executive commissioner that certain criteria are met by DARS.
Funding Transfer for Comprehensive Rehabilitation Services (CRS)		New/Amended	 Riders, page 58			Authorizes transfer of appropriations from HHSC to DARS to reduce the waiting list for comprehensive rehabilitation services upon determination by executive commissioner that certain criteria are met by DARS.
Contingency for Attendant and Habilitation Services		New/Amended	Riders, page 59			Rider reduces appropriations at DADS and increases General Revenue appropriations and reduces Federal Funds at HHSC provided for attendant and habilitation services if SB 7 does not pass.

	Sei	nate	Ho	use	Biennial	
Agency/Item	2014	2015	2014	2015	Difference	Explanation
Expansion of Community- based Services		New/Amended	Riders, page 60			Rider provides informational summary of slots funded under Promoting Independence Initiative and reductions to the interest lists at DADS and HHSC.
Information on Funding Provided for Direct Care Workers and Attendant Wages		New/Amended	 Riders, page 62			Summarizes appropriations provided for salary increases for direct care workers and increases in attendant wages.
Certain Medicaid Funds					Not Adopted	Moves existing Senate Article IX rider to Article II directing that no funds be expended to modify Medicaid eligibility unless HHSC develops a plan to create more efficient health care coverage options and receives prior written approval from the LBB before implementing the plan. The rider describes the elements a plan must contain for the LBB's approval.
Medicaid Unexpended Balances between Biennia		New/Amended	 Riders, page 68			Allocates estimated Medicaid unexpended balances (UBs) from amounts appropriated in HB 10 for fiscal year 2013 to DADS and HHSC. Requires notification of the UB amounts and an explanation if amounts are less than those specified in the rider.
