Honorable Governor of Texas  
Honorable Members of the Eighty-third Legislature  
Assembled in Regular Session

Ladies and Gentlemen:

I am pleased to submit for your consideration the 2014–15 Legislative Budget Estimates (LBE), which provides recommended funding for the operation of Texas state government for the 2014–15 biennium.

This LBE was prepared and compiled by the staff of the Legislative Budget Board in compliance with the provisions of the Texas Government Code, Section 322.008, which states that the Director, under the direction of the board, shall prepare a “budget of estimated appropriations” for introduction at the beginning of each regular legislative session.

The LBE includes budget and performance data for state agencies, appellate courts, and institutions of higher education. The LBE provides historical context for the 2014–15 budget recommendations by including data for fiscal years 2011, 2012, and 2013 as well as the total amount requested for the 2014–15 biennium via the Legislative Appropriations Request process. The amounts requested include not only baseline requested amounts but also exceptional item requests.

Two versions of the LBE have been prepared; House and Senate versions contain different funding recommendations for various programs across state government. The historical and requested data are identical.

Both the House and Senate recommended appropriations are within the limitation on the growth of appropriations established by the Legislative Budget Board pursuant to Article VIII, Section 22, of the Texas Constitution and adopted on November 15, 2012.

The members and staff of the Legislative Budget Board are grateful to the many officials and employees of state government whose efforts and cooperation are necessary during the legislative appropriations process. The staff of the Legislative Budget Board are prepared to provide our full assistance and support for the forthcoming appropriations process, and stand ready to answer any questions you may have about the information contained herein.

Respectfully submitted,
