**Texas Military Department**  
**Proposed Rider**  
**Governor Grant for Payroll Processing in the Event of an Emergency or Disaster**

Prepared by LBB Staff, 03/17/2015

**Overview**

The rider would identify legislative intent that, in the event of an emergency or disaster during which the Governor has deployed the National Guard, the Governor consider making a grant from disaster funds or other available funds to the Military Department in order to ensure timely and accurate payroll processing for the National Guard.

**Required Action**

On page V-46 of the Texas Military Department's bill pattern, add the following rider:

\_\_\_\_\_. **Governor Grant for Payroll Processing in Event of Disaster.** It is the intent of the Legislature that, in the event of an emergency or disaster in response to which the Governor has deployed the National Guard, the Governor may make a grant from disaster funds appropriated to the Trusteed Programs in the Office of the Governor, or any other funds available, to the Texas Military Department, in an amount determined to be appropriate by the Office of the Governor, in order to ensure timely and accurate payroll processing for the National Guard when deployed.
