<b>Technical Adjustments:</b>								
1. HB 1 provides \$27.6 million in All Funds and FTEs (116.5/378.3) to staff and operate expanded capacity at San Antonio, Kerrville, and Rusk State Hospitals.  According to HHSC, funding needed to operate expanded capacity San Antonio and Kerrville State Hospitals has decreased, and the funding for Rusk State Hospital will not be needed until the 2022-23 biennium, resulting in a lower need for the 2020-21 biennium. Adjustment would also remove 116.5 FTEs provided in fiscal year 2020, and provide \$1.8 million in capital budget authority for machinery and vehicles at newly renovated state hospital sites.	\$ (12,106,199)	\$ (12,106,199)			\$ (12,106,199)	\$ (12,106,199)		
2. Adjust performance measure target for two key Office of Inspector General performance measures to align with funding decisions.  Increase target for Number of Completed Provider and Recipient Investigations from 19,175 in each fiscal year to 23,299 in each fiscal year and increase the target for Total Dollars Recovered (Millions) from \$90.0 million in each fiscal year to \$106.5 million in each fiscal year to align with recommendations.	\$ -	\$ -			<b>Adopted</b>

Expand Real-time Data Sharing Among Jails, Local Mental Health Authorities (LMHAs), Local Behavioral Health Authorities (LBHAs), and Local Intellectual and Developmental Disability Authorities (LIDDAs). (2.0/0.0 FTEs).  Funding would modify the Clinical Management for Behavioral Health Services (CMBHS) system so jails, LMHAs, LBHAs, and LIDDAs concurrently receive real-time notification if a person with a history of mental health and/or intellectual and developmental disability (IDD) services is booked into jail. Currently, jails receive real-time notifications if a person who is booked has a history of mental health services. The jail must then notify the LMHA or LBHA. No notifications are made for individuals with a history of IDD services.  Also, revise Rider 2, Capital Budget.	\$ 435,265	\$ 435,265						
45. Add Intensive Behavioral Intervention (IBI) as a Medicaid Benefit.  Funding would add IBI as a Medicaid state plan benefit for members under the age of 20. Funding also provides for the one-time cost of adding a provider type for certain IBI providers.	\$ 75,411,433	\$ 192,635,697

**Department of Family and Protective Services, Article II**  
**Proposed Rider**  
**Cash Flow Contingency**

Prepared by LBB Staff, 03/04/2019

**Overview**

Revise rider to no longer require the agency to receive federal reimbursement prior to utilizing General Revenue funds for cash flow purposes.

**Required Action**

On page II-XX of the Department of Family and Protective Services bill pattern, revise the following new rider:

28. **Cash Flow Contingency.** The Department of Family and Protective Services (DFPS) may temporarily utilize General Revenue funds appropriated in all Strategies in Goal E, Indirect Administration, and in all Strategies in Goal F, Agency-wide Automated Systems, for temporary cash flow needs, pending the receipt of federal reimbursement, in an amount not to exceed 75 percent of the amount as specified in the Notification Letter of Federal Award or contract to be received in each fiscal year of the biennium. ~~The General Revenue amounts utilized above in the General Revenue method of finance for these two strategies must be repaid upon receipt of federal reimbursement and shall be utilized only for the purpose of temporary cash flow needs.~~ The transfer and reimbursement of funds shall be made under procedures established by the Comptroller of Public Accounts to ensure all borrowed funds are reimbursed to the Treasury on or before August 31, 2021. In the event that cash flow contingency amounts are not returned in a timely manner, the Legislative Budget Board may direct that the Comptroller of Public Accounts lapse the related amounts. DFPS shall report all transfers of General Revenue to the Legislative Budget Board and the Governor in the required Monthly Financial Report.

**Department of Family and Protective Services, Article II**  
**Proposed Rider**  
**Contractor Penalties and Incentives**

Prepared by LBB Staff, 03/04/2019

**Overview**

Add rider to appropriate to the Department of Family and Protective Services, financial penalties from contractors collected under section 40.045(D)(2) of the Human Resources Code and provide incentives to other contractors who exceed performance measures.

**Required Action**

On page II-XX of the Department of Family and Protective Services bill pattern, add the following new rider:

XX. **Contractor Penalties and Incentives.** Included in amounts appropriated above in Strategy B.1.2, CPS Program Support, is an amount estimated to be \$0 in Appropriated Receipts from Revenue Object Code 3770 for financial penalties collected from contractors under section 40.058(D)(2) of the Human Resource Code for failing to meet specified performance outcomes. Amounts appropriated from Appropriated Receipts from Revenue Object Code 3770 shall be used to award incentives to contractors who exceed contractually specified performance outcomes. Incentive amounts may be paid only from available funds collected for this purpose in Revenue Object Code 3770. DFPS shall report all revenue collected in Revenue Object Code 3770 to the Legislative Budget Board and the Governor in the required Monthly Financial Report. Any unexpended and unobligated balances remaining from amounts appropriated as of August 31, 2020 are appropriated for the same purposes for the fiscal year beginning September 1, 2020.

**Department of Family and Protective Services, Article II**  
**Amended Rider**  
**Foster Care Rate Increases**

Prepared by LBB Staff, 3/6/2019

**Overview**

Amend the rider to identify funding provided for foster care rate increases.

**Required Action**

On page II-XX of the Department of Family and Protective Services bill pattern, amend the following rider:

**27. ~~Informational Listing and Limitations and Increases: Foster Care Rates~~**, Included in the amounts appropriated above in Strategy B.1.9, Foster Care Payments is \$16,221,671 in General Revenue and \$5,185,130 in Federal Funds in fiscal year 2020 and \$15,778,329 in General Revenue and \$4,989,216 in Federal Funds in fiscal year 2021 to provide rate increase for certain foster care providers in the legacy system. Amounts appropriated above in Strategy B.1.9, Foster Care Payments are intended to provide the following per child per day rate in fiscal year 2020 and fiscal year 2021:

- (2) Health and Human Services Commission
- (i) Strategy A.4.1, Non-Full Benefit Payments: \$18,604,179 in fiscal year 2020 and \$18,604,181 in fiscal year 2021;
  - (ii) Strategy G.2.1, Mental Health State Hospitals: \$47,944,002 in fiscal year 2020 and \$46,663,989 in fiscal year 2021; and
  - (iii) Strategy G.2.2, Mental Health Community Hospitals: \$10,120,701 in fiscal year 2020 and \$10,120,699 in fiscal year 2021.

(b) **Limitation on Use of Public Health Medicaid Reimbursements (Account 709).**

(1) In the event that Public Health Medicaid Reimbursement revenues exceed the amounts noted above, DSHS or HHSC may expend the Public Health Medicaid Reimbursement funds thereby made available only upon prior written approval from the Legislative Budget Board and the Governor. Notwithstanding Article IX, §14.01, Appropriation Transfers, and Special Provisions Relating to All Health and Human Services Agencies, §6, Limitations on Transfer Authority, transfers of Public Health Medicaid Reimbursement revenues may be made only upon prior written approval from the Legislative Budget Board and the Governor. A request to expend additional Public Health Medicaid Reimbursement funds or transfer Public Health Medicaid Reimbursement funds shall include the following information:

- (i) the reason for and the amount of Public Health Medicaid Reimbursement revenue that exceeds the amounts in section (a) above, and whether this additional revenue will continue in future years;
- (ii) the reason for and the amount of any transfer of Public Health Medicaid Reimbursement revenue;
- (iii) detailed explanation of the purpose(s) of the expenditure and whether the expenditure will be one-time or ongoing;
- (iv) the name of the strategy or strategies affected by the expenditure and the FTEs for each strategy by fiscal year;
- (v) the impact of the expenditure on performance levels, and, where relevant, a comparison to targets included in this Act for the affected strategy or strategies; and
- (vi) the impact of the expenditure on the capital budget.

The request shall be considered to be approved unless the Legislative Budget Board or the Governor issues a written disapproval within 30 business days after the date the Legislative Budget Board staff concludes its review of the proposal to expend the funds and forwards the review to the Chair of the House Appropriations Committee, Chair of the Senate Finance Committee, Speaker of the House, and Lieutenant Governor. Any requests for additional information made by the Legislative Budget Board shall interrupt the counting of the 30 business days.

(2) In the event that Public Health Medicaid Reimbursement revenues and balances are insufficient to support the appropriations amounts identified in subsection (a), a reduction shall be made in HHSC Strategy A.4.1, Non-Full Benefit Payments.

### **Community Attendant Workforce Development**

Prepared by LBB Staff, 03/05/2019

#### **Overview**

Delete Health and Human Services Commission (HHSC) Rider 119, Recruitment and Retention Strategies, and add a new rider directing HHSC to develop and implement strategies to recruit, retain, and ensure adequate access to the services of community attendants.

#### **Required Action**

1) On page II-117 of the Health and Human Services Commission bill pattern, amend the following rider:

119. ~~**Recruitment and Retention Strategies**~~ **Community Attendant Workforce Development Strategies**. Out of funds appropriated above in ~~Strategy I.1.1, HHS System Supports~~, the Health and Human Services Commission (HHSC) shall develop ~~and implement recruitment and retention~~ strategies to recruit, retain, and ensure adequate access to the services of ~~for~~ community attendants.

(a) These strategies shall include the following:

(1) Gathering comprehensive data regarding community attendant turnover and retention in both fee-for-service and managed care, including:

(A) number of attendants;

(B) turnover rates for attendants;

(C) vacancy rates for attendants;

(D) number of attendants paid at the base wage rate;

(E) number of attendants paid above the base wage rate; and

(F) any other data the agency deems necessary to describe the community attendant workforce.

(2) Convening a cross-agency forum to develop a state workforce development plan for retention and recruitment of community attendants;

(3) Directing Medicaid managed care organizations to prioritize the development of quality-based payment systems to improve the quality of and access to community attendant services for members. The payment systems shall:

A. Improve recruitment and retention of community attendants;

B. Ensure financial incentives are passed directly to community attendants; and

C. Increase members' ability to make informed choices about their care.

(4) Developing and implementing enhanced network adequacy standards for Medicaid managed care organizations ensuring sufficient member access to community care attendants.

(b) HHSC may implement surveys or other methods as necessary to collect the data described in subsection (a)(1) if it is not available from existing sources.

(c) HHSC shall submit an annual report by ~~August 31~~November 1, 2020 to the Legislative Budget Board and the Governor's Office reflecting actual expenditures, cost savings, and accomplishments implementing recruitment and retention strategies for community attendants.

  - c. \$11,799,000 in General Revenue Funds and \$18,201,000 in Federal Funds in fiscal year 2020 and \$11,439,000 in General Revenue Funds and \$18,561,000 in Federal Funds in fiscal year 2021 for rural hospitals to maintain increases and add-ons related to general outpatient reimbursement rates, outpatient emergency department services that do not qualify as emergency visits, the outpatient hospital imaging services fee schedule, and the outpatient clinical laboratory services fee schedule-;
  - d. \$11,484,360 in General Revenue Funds and \$17,715,640 in Federal Funds in fiscal year 2020 and \$12,773,550 in General Revenue Funds and \$20,726,450 in Federal Funds in fiscal year 2021 for rural hospitals to increase inpatient rates by trending forward from 2013 to 2020 using an inflationary factor; and
  - e. \$15,371,045 in General Revenue Funds and \$23,711,195 in Federal Funds in fiscal year 2020 and \$15,371,045 in General Revenue Funds and \$24,941,163 in Federal Funds in fiscal year 2021 for rural hospitals to provide increases to inpatient rates in addition to those identified in subsection (d).
- HHSC shall develop a methodology to implement the add-on payments pursuant to funding identified in subsection (b) that targets the state's safety-net hospitals, including those hospitals that treat high percentages of Medicaid and low-income, uninsured patients. Total reimbursement for each hospital shall not exceed its hospital specific limit.
- For purposes of subsections (c), (d), and (e), rural hospitals are defined as (1) hospitals located in a county with 60,000 or fewer persons according to the 2010 U.S. Census; or (2) a hospital designated by Medicare as a Critical Access Hospital (CAH), a Sole Community Hospital (SCH), or a Rural Referral Center (RRC) that is not located in a Metropolitan Statistical Area (MSA); or (3) a hospital that has 100 or fewer beds, is designated by Medicare as a CAH, a SCH, or a RRC, and is located in an MSA. ~~Payments to rural hospitals from funds identified in subsection (e) may include a combination of increases in or add-ons to any or all of the~~

~~following: general outpatient reimbursement rates; outpatient emergency department services that do not qualify as emergency visits; the outpatient hospital imaging services fee schedule; and the outpatient clinical laboratory services fee schedule.~~ No reimbursement may exceed the hospital specific limit and reimbursement for outpatient emergency department services that do not qualify as emergency visits may not exceed 65 percent of cost.

To the extent possible, HHSC shall ensure any funds identified in this rider that are included in Medicaid managed care capitation rates are distributed by the managed care organizations to the hospitals. The expenditure of funds identified in this rider that are not used for targeted increases to hospital provider rates as outlined above shall require the prior written approval of the Legislative Budget Board.

### **Proposed Rider**

#### **Rate Increases: Intermediate Care Facilities and Certain Waiver Providers**

Prepared by LBB Staff, 3/6/2019

#### **Overview**

Add a new rider identifying funding for rate increases for providers in the Home and Community-based Services (HCS) and Texas Home Living (TXHML) waivers and for intermediate care facilities for individuals with intellectual disabilities.

#### **Required Action**

On page II-XX of the Health and Human Services Commission bill pattern, add the following rider:

**Rate Increases: Intermediate Care Facilities and Certain Waiver Providers. Included in amounts appropriated above in Strategy A.2.7, Intermediate Care Facilities – IMD; Strategy A.3.1, Home and Community-based Services; and Strategy A.3.4, Texas Home Living is \$42,000,000 in General Revenue and \$64,788,711 in Federal Funds in fiscal year 2020 and \$42,000,000 in General Revenue and \$68,149,489 in Federal Funds in fiscal year 2021 to rebase the reimbursement methodologies to reflect current spending levels in all cost categories and to update the reimbursement methodology for facility-based community services to include a seven percent factor. Funding in fiscal year 2021 is contingent on the Health and Human Services Commission (HHSC) creating, in the rate enhancement programs serving individuals with intellectual and developmental disabilities, separate categories to group the services based on the number of attendant hours included in the billing unit. HHSC shall develop the new categories no later than September 1, 2020.**
