January 2021

Honorable Governor of Texas
Honorable Members of the Eighty-seventh Texas Legislature

Ladies and Gentlemen:

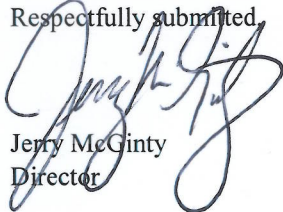

We are pleased to present the 2022-23 Legislative Budget Estimates by Program (LBE by Program).

The LBE by Program is based on data collected per Section 34.06, Senate Bill 1, 82nd Legislature, 1st Called Session. It is a supplement to the 2022-23 Legislative Budget Estimates by Strategy. The LBE by Program provides details on specific programs funded at state agencies, appellate courts and institutions of higher education. It also includes the sources of funding and related statutory authority.

This document contains recommended funding for the 2022-23 biennium and lists the programs by agency priority, utilizing information requested via the Legislative Appropriations Request process. The LBE by Program also includes historical context for programs by including data for fiscal years 2019, 2020, and 2021.

On behalf of the Legislative Budget Board staff, we wish to express our gratitude to the many dedicated officials and employees of state government who assisted in generating State Budget by Program information. We are honored and prepared to support the legislature in the forthcoming appropriations process. We look forward to answering any questions you may have about the information contained in the LBE by Program and on all other matters pertaining to the state budget and state fiscal policy as you carry out the duties of the 87th Legislature.

Respectfully submitted,

Jerry McGinty
Director
