<sup>1</sup> House Bill 1523, Eighty-sixth Legislature, 2019, transferred the regulation of land surveyors to the Texas Board of Professional Engineers and Land Surveyors (TBPELS) and abolished the Texas Board of Professional Land Surveying. TBPELS began regulating land surveyors in September 2019. Expended amounts shown are estimates of the last two years of operations for the Board of Professional Land Surveying. TBPELS, a semi-independent, self-directed state agency, is not required to report performance measure data to the Legislative Budget Board.
