Cost-Out Adjustments:								
1. Under Property Code Section 72.1016(e), the Comptroller shall transfer five percent of money collected from stored valued cards presumed to be abandoned to TEXAS Grants. Based on information provided by the Comptroller's Office, \$160,000 will be transferred to the program. Rider #29 (III-67), appropriates these funds to the Higher Education Coordinating Board. Cost Neutral	\$ 160,000	\$ 160,000			\$ 160,000	\$ 160,000		
2. House Bill 1, as Introduced, includes an appropriation of \$2.6 million from B-On Time Account 5103 in FY 2025 for administrative purposes. Under current law, the BOT account will be abolished on September 1, 2024. The CPA has indicated this appropriation would not be valid if the account is abolished. Agency Requests:								
1. State Grant Funding. The exceptional item is split between six programs. A portion of the request, \$113 million, would support the agency's four need based financial aid programs. In addition to the 2024-25 base line request for the TEXAS Grant Program, TEG, TEOG-Community Colleges and TEOG-State and Technical Colleges, the additional funding would maintain the percentage of students served at these programs at 2022-23 levels. The remaining funding would be used by the agency for two programs, Texas Transfer Grants and Texas Leadership Scholars Program, that were supported by GEER funds in the 2022-23 biennium. House Bill 1 includes \$950.1 million for TEXAS Grants, \$195.8 million for TEG, \$97.0 million for TEOG-Community College Grants, and \$8.2 million for TEOG-State and Technical Colleges. See Rider Packet.	\$ 153,000,000	\$ 153,000,000					\$ 153,000,000	\$ 153,000,000
2. Data Security and Modernization. The exceptional item funding will be used to upgrade the agency's existing infrastructure, integrate data services into the cloud-based state higher education and workforce data pipeline, enhance security for privacy protection of the confidential and FERPA data owned by the agency, and for professional services to help implement the agency's new Customer Relationship Management (CRM) solution. The agency reports that is has been leveraging GEER funds to initiate Phase 1 of the Data Modernization Initiative in the FY 2022-23 biennium. The funding requested for FY 2024-25 will support Phase II and Phase III of the initiative. The exceptional item would support 5.0 FTEs. Currently assumed in the supplemental appropriations bill.	\$ 15,000,000	\$ 15,000,000

3. Career and College Advising. The exceptional item funding would be used to further develop and integrate Map My Path and Apply Texas into My Texas Future, expand the use of ADVi chatbot and virtual advisors to additional audiences, and expand content development. The agency reports that \$5.0 million in GEER I funding supported the development of My Texas Future and additional GEER II funding will support the development of Apply Texas and Map My Path. The exceptional item would support 7.0 FTEs. See Rider Packet.	\$ 20,000,000	\$ 20,000,000					\$ 20,000,000	\$ 20,000,000
4. Innovation and Collaboration. Discretionary funding that the agency reports the majority of which is intended to be awarded to institutions through grant programs that support new-distance learning tools, help institutions establish and grow programs that award credentials of value, support for student success initiatives at institutions, and provide students with relevant on-the-job learning opportunities. The agency identified the Accelerating Credentials of Value Grants Program (\$15.0 million) and Work-based Learning Opportunity Grants (\$5.0 million) as examples of recently created programs that fit this model. The exceptional item would support 8.0 FTEs. See Rider Packet.	\$ 47,500,000	\$ 47,500,000					\$ 47,500,000	\$ 47,500,000

Agency Requests:								
Note: FTE requests included below are based on the updated exceptional item requests submitted by each institution to the LBB. In HB 1 as Introduced, the FTE cap for each institution was set at FY 2022 actual levels adjusted by 1.0 FTE for every \$100,000 increase/decrease of formula funding and non-formula support item appropriated from General Revenue included in HB 1 compared to the 2022-23 biennium. For the Lamar State Colleges and Texas State Technical Colleges, this adjustment was for every \$90,000 change.
