HR 1319 was signed into law on March 11, 2021. It provided an estimated \$1.9 trillion in additional relief to states to address the continued impact of COVID-19 on the economy, public health, state and local governments, individuals and businesses. The bill included support for various program areas including, but not limited to, agriculture and nutrition programs; schools and institutions of higher education; vaccinations, testing, treatment and prevention; emergency, rental, and homeowner assistance; and economic relief payments to state, local, tribal, and territorial governments.

Notes:

- Amounts reflected above are as of February 28, 2022, as reported by state agencies and institutions of higher education. Amounts are subject to change based on final awards, expenditures, and obligations between reporting periods. Awards sent directly to locals from federal agencies are not included in this report.
- Missing information was not available at the time of current survey ending February 28, 2022.
- Public Assistance grants are awarded by federal reimbursements. The Texas Division of Emergency Management is the state administrator. Due to the nature of the awards, TDEM pass throughs and state agencies reporting awards received may be recorded differently due to the timing of applications and reimbursements.

Footnotes:

1. Total actual awards do not include awards received by a state agency through a pass through award from another state agency.
2. Total pass through awards do not include awards passed through by a state agency to another state agency that has reflected receipt of the award in this report.
