HR 748 was signed into law on March 27, 2020, and provided approximately \$2 trillion for loan guarantees for impacted businesses, direct cash payments for individuals, and additional testing and vaccine resources. The bill included financial support to address the impact of COVID-19 on public and higher education; assistance for increased demands on the medical field including supplies, personal protective equipment, and supplies; child care assistance; housing assistance, support, and protection; and employment assistance, including unemployment assistance.

Notes:

- Amounts reflected above are as of February 28, 2022, as reported by state agencies and institutions of higher education. Amounts are subject to change based on final awards, expenditures, and obligations between reporting periods. Awards sent directly to locals from federal agencies are not included in this report.
- Missing information was not available at the time of current survey ending February 28, 2022.
- Public Assistance grants are awarded by federal reimbursements. The Texas Division of Emergency Management is the state administrator. Due to the nature of the awards, TDEM pass throughs and state agencies reporting awards received may be recorded differently due to the timing of applications and reimbursements.

Footnotes:

1. Total actual awards do not include awards received by a state agency through a pass through award from another state agency.
2. Total pass through awards do not include awards passed through by a state agency to another state agency that has reflected receipt of the award in this report.
