Grand Total, All Strategies	\$21,508,247	\$17,048,306	(\$4,459,941)	(20.7%)	The reduction is the result of a General Revenue decrease of \$2,983,656 from Criminal History Background Checks the agency will not be collecting in the 2014-15 biennium and an Appropriated Receipts decrease of \$1,476,285 due to agency anticipated decreases in revenue generated from seminars and conferences and sales of publication and records. (See Selected Fiscal and Policy Issues #1 and #2)

Section 3

Texas Board of Nursing Selected Fiscal and Policy Issues - House

1. **Criminal History Checks.** Recommendations reduce General Revenue by \$2,983,656 for revenues related to Criminal History and Background checks that it will no longer collect beginning in fiscal year 2014. The agency will still require the same checks on licensees as were required in fiscal years 2012 and 2013; however, the agency will direct applicants to pay the fee directly to the Texas Department of Public Safety.
2. **Appropriated Receipts.** Recommendations reduce Appropriated Receipts by \$1,476,285 and continue funding at fiscal year 2013 levels in alignment with the agency's request. The agency anticipates reductions in revenues that will be collected from seminars and conferences and the sale of publications and records.
3. **Texas Center for Nursing Workforce Studies.** Recommendations continue Interagency Contract funding at \$365,000 each fiscal year to the Department of State Health Services to provide funding for the Texas Center for Nursing Workforce Studies. This amount does not include the agency's requested increase of \$46,550 in General Revenue each year. Added by the 81st Legislature, the center serves as a resource for data and research on the nursing workforce in Texas. (See Items not Included in Recommendations #5 and #6).
