1. **Hourly Billing Rate.** Recommendations maintain the agency’s 2022-23 hourly billing rate of \$150 in the 2024-25 biennium for cases funded through Interagency contracts and do not include the agency’s request to increase the hourly billing rate to \$165 in Rider 7, Billing Rate for Workload. The table below shows the impact of increasing the hourly billing rate from \$150 to \$165 pursuant to the agency’s request.

The 2024-25 Recommended column reflects an hourly billing rate of \$150 to align with the 2022-23 billing rate. The 2024-25 Including Exceptional Items column reflects an hourly billing rate of \$165, as requested by the agency in alignment with projected case hours reported in the SOAH Hearings Activity Report. According to the agency, the projected increase in costs is primarily related to an increase cost in the Statewide Cost Allocation Plan and to maintain agency operations.
