Agency Budget and Policy Issues and/or Highlights

Texas A&M Engineering Extension Service (TEEX) provides workforce training programs and technical assistance for first responders to enhance public safety and security (e.g., fire protection, law enforcement, water/wastewater, public works, environmental quality, etc.). TEEX also provides emergency response, search, and rescue operations statewide through Texas A&M Task Force 1 and Texas Task Force 2.

The bill pattern for this agency (2024-25 Recommended) represents an estimated 96.6% of the agency's estimated total available funds for the 2024-25 biennium.

Selected Fiscal and Policy Issues - House**

1. **Infrastructure Support.** Funding to Texas A&M System agencies for infrastructure support within Brazos County is calculated using the General Academic Institutions' Infrastructure Support formula rate. The infrastructure support funds included in the recommendations for within Brazos County are calculated using the 2024-25 Texas A&M University formula rate, multiplied by the agencies' fiscal 2021 predicted square footage.
