

**Article II, Special Provisions Relating to All Health and Human Services Agencies
Rider Highlights - House**

Modification of Existing Riders (new rider number)

Section 8. Caseload and Expenditure Reporting Requirements. Recommendations add Texas Civil Commitment Office offsite healthcare expenditure data to the list of required data submissions.

Section 9. System Support Services. Recommendations modify rider to expand transfer authority of system support services appropriations and full-time-equivalents (FTEs) among the Article II agencies. Additional transfer flexibility is limited and only applies to appropriations provided in Health and Human Services Commission (HHSC) Goal K, Office of Inspector General, Department of Family and Protective Services (DFPS) Goal D, Indirect Administration, and Department of State Health Services (DSHS) Goal E, Indirect Administration. Recommendations make other conforming changes to reflect funding recommendations.

Section 14. Limitation: Expenditure and Transfer of Public Health Medicaid Reimbursements. Recommendations modify rider to remove finding of fact requirement as Comptroller is already statutorily required to transfer unexpended and unencumbered Medicaid reimbursements to the newborn screening program.

Section 17. Charges to Employees and Guests. Recommendations modify rider to specify temporary use of state housing under the facility's control is permitted for employees. According to HHSC, this reflects current practice.

Section 26. Reporting on Court Monitor Fees. Recommendations revise rider to include requirement for HHSC to collaborate with DFPS in reporting data.
