Special Provisions Relating To All Business and Economic Development Agencies - Senate Rider Highlights

2. **Federally Funded Projects.** The bill includes a new rider containing an informational listing of the number of 100 percent fully federally funded full-time equivalent (FTE) positions that have been included in each agency's appropriations for the 2012-13 biennium. The rider also enables an agency to exceed the defined FTE cap for a 100 percent federally funded FTE only if the addition of the FTE would exceed the number listed in the rider, consistent with the provisions of Art IX, Sec 6.10, Limitation on State Employment Levels.
