

**Art III, Special Provisions for Higher Education and Texas State Technical Colleges
Rider Highlights - Senate**

Special Provisions Relating Only to State Agencies of Higher Education

Modification of Existing Riders

Sec. 11. **Method of Financing Scholarships.** Provision amended to modify reporting requirements.

New Riders

Sec. 62. **Contingency for Community College Finance Legislation.** A new rider, which includes an increase of \$650 million in General Revenue for formula funding and grants, contingent on the enactment of legislation relating to significant changes in community college finance and formulas by the Eighty-eighth Legislature, Regular Session, 2023.

Sec. 63. **Contingency for Higher Education Endowment Funding.** A new rider, which includes an increase of \$2.5 billion in General Revenue Funds for immediate deposit to an account or fund to be managed by an entity to be determined, contingent upon the enactment of legislation in the Eighty-eighth Legislature, Regular Session, 2023, relating to endowment funding for the support of institutions of higher education.

Deletion of Existing Riders

Sec. 35. **Endowed Programs.** Provision deleted due to inability for institutions to track the donation information required to be reported on in the rider.

Sec. 60. **HEGI State Contribution Rate.** This rider providing an informational listing of funding rates for Higher Education Group Insurance appropriations has been transferred to the Higher Education Group Insurance bill pattern.

Special Provisions Relating Only to Components of Texas State Technical College

Deletion of Existing Riders

Sec. 9. **Campus President Salaries.** Rider is being deleted as the TSTC system does not have campus presidents.
